

WHAC Digital Modernization & AI Enablement Plan

Prepared by: Jeremy Buehler

Hourly Rate: \$125 | Total Hours: 20 | Total Value: \$2,500

1. Website Audit & Tactical Updates (4 hours – \$500)

Objective: Optimize WHAC's current website for credibility, usability, and local SEO

- Evaluate layout, mobile responsiveness, and service descriptions
 - Improve content structure and internal linking
 - Update contact forms, CTA placement, and job request flow
 - Recommend high-conversion landing page structure
-

2. HVAC + AI Blog Series (4 hours – \$500)

Objective: Establish WHAC as a forward-thinking HVAC brand & increase organic traffic

- Write and publish 2–3 educational articles (800–1,000 words each)
 - Topics include:
 - "How AI Will Change HVAC Diagnostics"
 - "Dispatching Smarter: Tech-First Field Service"
 - "WHAC's 40-Year Journey Meets AI: A New Chapter"
 - Engage other contractors via LinkedIn, Reddit, Facebook groups
-

3. AI Workflow Strategy & AI Agents Blueprint (6 hours – \$750)

Objective: Begin WHAC's transition into an AI-enhanced operation (Proof Of Concept/MVP)

- Map out "Agent Use Cases" use cases and mockups (Start with Intake Agent or Dispatch Agent - Dave to confirm)
- Identify and document pain points in intake, dispatch, current inventory, job status tracking, and paperwork
- Build a foundational roadmap for integrating BuehlerData pilot

4. Local Listings & Online Reputation (2 hours – \$250)

Objective: Strengthen WHAC's visibility on Google and Yelp

- Audit and optimize Google Business Profile (services, photos, hours)
 - Create and schedule 5-star review outreach templates (SMS + email)
 - Claim or update Yelp, Angi, Nextdoor, etc.
-

5. Lead Gen & Ad-Ready Social Presence (4 hours – \$500)

Objective: Lay groundwork for consistent inbound traffic

- Draft 1-month content plan (text + image themes)
 - Create Facebook/Instagram ad templates (low-budget HVAC tune-up offer)
 - Localized Google Ads keyword and landing page strategy (Winter Haven, Lakeland, etc.)
-

Summary
